

Staying Safe when you are out and about

When you are out and about there are things you can do to help you stay safe.

Bad things do not always happen.

If something bad does happen report it.

Make sure your friends are people you know and trust.

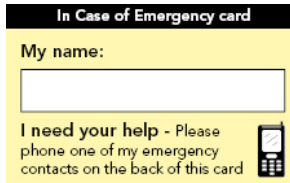

Be careful about answering the door if you are not expecting anyone.

Do not let anyone into your house if you are not expecting them and don't know them.

Keep a list to remind you what to take with you when you go out.

Carry an In Case of Emergency card - ICE card.

Make sure your mobile phone has credit and is charged before you go out.

✓

Take enough money to get home but don't carry too much.

Tell the person you live with where you are going, who you are with and when you are coming back.

Leave a light on at home when you go out.

Keep your bag, wallet and purse on you at all times:

- at the front of your body
- make sure valuables are hidden.

Use your mobile phone in a shop or café rather than in the street.

Use a cashpoint inside the bank wherever possible.

Make sure no-one can see you type your PIN number.

Don't travel alone late at night.

Avoid lonely places, dark alleys and subways.

Very important if out and about on your own.

If you are out with a group, agree a meeting point in case you are separated.

It's important to report crime

In an emergency always dial 999

- Phone Surrey Police on 0845 125 2222
- Visit your local Police Station
- Go to the Surrey Police website www.surrey.police.uk

Or you can tell someone you trust and ask them to contact the Police with you.
