Office Services Christmas Cards

For the second year, *Office Services* have designed and made their own Christmas cards to send to customers.

Team members have enjoyed making the cards and customers have said how much they appreciate receiving them.

'Opening Doors' Exhibition

Office Services had a display and gave a short presentation, at the *Opening Doors* Exhibition on Wednesday 21st November.

A lot of interest was shown in the work we do and we gained some more business, as a result of taking part in the exhibition.
